Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

DEADPOOL

So, here's the situation: Deadpool finally came up with a plan that he thinks might give him the one thing he wants most of all—to be killed off, once and for all. He figures if he ticks off the Hulk, say by detonating two nuclear weapons in his face, for example, the big green behemoth will smash him to smithereens! Not a bad plan, all told... except that he's just realized he's unleashed a rampaging unstoppable monster right next to a daycare center. Whoops!
